

Interview a family member.

Measure the area and perimeter of each room in your home.

Graph the types of birds that frequent your yard or windows.

Be completely silent for 2 minutes, then write about the experience.

Build a fort out of blankets and chairs. Camp in it all day while you create stories to tell your family over dinner.

Alphabetize the spices in your kitchen.

Stay up late and stargaze. (with your parents' permission)

Call a grandparent or older relative. Ask them to teach you the words to a song from their childhood days.

Design and build puppets and perform a show for your family.

Construct a family tree.

Learn ten new big words. Share them at the dinner table.

Draw a map of your home.

Sit silently for 5 minutes while you write down every sound you hear. When you are done, classify the sounds (high/low pitch, high/low volume, manmade v. naturally occurring, etc.).

Create a Venn Diagram that compares and contrasts two people in your family.

Learn, practice, and perform a magic trick.

Learn, practice, and tell three new jokes.

Use household materials to make and play stringed, percussion, and wind instruments.

Put your favorite book, toy, and keepsake on a small table in sunlight. Draw or paint a full color still life.

If you have stairs, walk up and count them. Walk down and count by twos. Walk up and count by threes. Continue through tens.

Write a poem on your sidewalk using chalk.

Classify twenty everyday objects by shape, size, color, and material.

Measure the length of your bed using five different nonstandard units.

Create and use a secret code.

Write down every adjective you say for one full day.

Make a list of every province or territory ever visited by people in your family.

Using paper, tape, and string, design, build, and test a device that warns you when someone opens the kitchen cabinet.

Imagine, design, create and fly a flag that tells the world about you.
